Reports to: Manager of Mental Health Services	Location: Lanark County
Job Status: Permanent Full Time	Closing Date: April 15, 2026

About the Role

The Community & Housing Services Supervisor is responsible for the day-to-day leadership and operational oversight of several integrated community programs, including the Mobile Crisis Response Team (MCRT), LCMH’s evolving housing portfolio, and the Lanark Integrated Frontline Team. This role plays a key leadership function in translating organizational strategy into effective frontline practice. Working in close partnership with the MCRT Team Lead and program staff, the Supervisor ensures high-quality, coordinated, and responsive services that support individuals experiencing mental health, housing, and social stability challenges.

We are a transformative organization, and individuals within our team must demonstrate adaptability and sensitivity to the changing needs of clients and the community.

Key Responsibilities

Program Operations & Supervision

- Provide day-to-day operational oversight of assigned community and housing programs, ensuring services are delivered effectively, safely, and in alignment with organizational priorities.
- Supervise and support program staff, fostering a culture of accountability, collaboration, and continuous improvement.
- Work in partnership with the MCRT Team Lead to support integrated crisis response operations and follow-up services.
- Monitor program activity, identify operational issues, and implement timely solutions.

Strategic Implementation

- Translate strategic initiatives, funding priorities, and system-level goals into clear, practical, day-to-day operational plans.
- Support the implementation of new initiatives, service enhancements, and pilot projects across community and housing services.
- Ensure programs align with best practices in mental health, housing stability, harm reduction, and client-centered care.

Collaboration & Partnerships

- Work collaboratively with internal teams and external partners across health, housing, social services, and emergency response systems.
- Support integrated service delivery and effective communication across multidisciplinary teams.
- Represent programs in planning tables, working groups, and partnership discussions as required.

Quality, Risk & Performance

- Support quality improvement, service consistency, and adherence to policies, procedures, and legislative requirements.
- Identify service pressures, risks, and capacity challenges, escalating issues as appropriate.
- Contribute to reporting, data collection, and performance monitoring to support service planning and accountability.

Qualifications & Experience

- Post-secondary education in social work, nursing, health administration, or a related field.
- Demonstrated experience in community mental health, housing services, or integrated human services.
- Previous supervisory or team leadership experience in a community-based or health setting.
- Strong understanding of crisis response, supportive housing, and integrated service models.
- Proven ability to translate strategic direction into practical, frontline implementation.
- Excellent communication, problem-solving, and relationship-building skills
