

**Title:** Working Group Coordinator – Pharmacy Formulary

**Department:** LUMEO Project

**Hours of Work:** Temporary, Full-Time Position

**Salary:** To be determined

**Union:** Non-Union

**Location:** Virtual (with some regional travel)

## **PRIMARY FUNCTION**

The six health-partners in the South East region recognize that to achieve person centered, effective care coordination across the system, enhance the ability to make best use of collective resources, achieve more system-like behavior, and have the agility to address future funding changes, a major, system-wide clinical transformation is needed. This clinical transformation will meet clinical information needs of both the health-partners and the region. A regional HIS would support a one person, one system, one experience vision identified by the partners' clinical leadership. This project opportunity will enable the sharing of information seamlessly across the six health-partners, connecting the personal health information into a single cohesive story and reducing the variability of care provided.

The Regional HIS Working Group Coordinator is responsible for a variety of administrative duties in support of the User Experience Working Group, Workstream Leaders and Workflow Leads. Duties include but are not limited to project tracking, scheduling meetings, coordinating events and documents management.

The **Working Group Coordinator – Pharmacy Drug Formulary** will provide coordination to the PTC Pharmacy Co-Leads, Pharmacy Drug Formulary Lead and the Regional Pharmaceuticals & Therapeutics committee in the development of a regional drug formulary. In addition, the Working Group Coordinator – Pharmacy Drug Formulary will provide support to the Workflow Lead, Pharmacy and Medication processes. This will include tracking, scheduling meetings, coordinating events and documents management.
