

PERTH & SMITHS FALLS DISTRICT HOSPITAL

OPSEU

INTERNAL POSTING

OPSEU 2022-52

DATE: DECEMBER 8, 2022

DEPARTMENT: DIAGNOSTIC IMAGING

POSITION: SENIOR MRI TECHNOLOGIST
PERMANENT FULL TIME

SUMMARY OF DUTIES:

Reporting to the Manager, Diagnostic Imaging, you will be temporarily participating in the planning and implementation of PSFDH's newly approved MRI services and, thereafter, ongoing day-to-day operations of this state-of-the art service, including patient access and flow, clinical supervision of a team of technologists, fiscal stewardship, effective resource utilization and management risk management and safety acting as MRSO, the provision of high-quality care and, ultimately, delivery of an exceptional patient experience.

DUTIES AND RESPONSIBILITIES:

- Supervisory and Clinical Leadership MRI Services
- Provision of Direct Diagnostic Imaging Services
- See PSFDH SR MRI job description for full scope of duties and responsibilities.

JOB SPECIFICATIONS

EDUCATIONAL REQUIREMENTS
