

Perth Medical Clinic
Family Health Organization
14 Isabella St. Perth, Ontario

We are a group of 5 physicians looking for full time family physicians to join this well-established Family Health Organization (FHO). We provide comprehensive care to the residents of Perth and surrounding area. This spacious and bright clinic boasts 24 large exam rooms, beautiful wait areas and is conveniently located just steps away from the Great War Memorial Hospital of Perth.

Perth (pop. 6,000) is located in a parkland setting along the Tay River, 83 kms southwest of central Ottawa, and is considered to be a modern community with old-world charm. The heritage core in downtown Perth consists of specialty shops, restaurants and boutiques, farmers and craft markets. The area is known for its historic buildings and century old homes, which add to the unique and beautiful charm of this community.

Key elements:

- PS Suite EMR
- Turnkey office with competitive overhead
- Wide variety of opportunities within the community (ER, Hospitalist, Surgical Assist, and Obstetrics).
- Supportive, efficient and professional environment
- Return of Service eligible
